Contact info for vet: _____

Please provide two references of people or organizations involved in rescue with whom you've worked with in the past (email address preferred):

1. _____

2. _____

We will not typically send animals to rescue that have not already been spayed or neutered. In special circumstances, such as illness, we may occasionally send unaltered animals to rescue. If such an arrangement should occur with your organization, do you commit to having the animal spayed or neutered before placement in an adoptive home? _____ Do you also commit to not breed the animal? _____
